Ella's life was picture perfect. She had a circle of close friends, a jam-packed social life, and an amazing boyfriend. But then something completely unexpected happened: a car accident after a Valentine's Day dance. When Ella woke up in the hospital, she couldn't remember the accident . . . or anything about the weeks before it, including the reason she broke up with her boyfriend.

Now, a year later, she begins receiving paper hearts from a mysterious admirer who seems to have the answers she craves. Ella is intrigued. The hearts contain clues to help Ella remember her life before . . . and take her on a journey she never imagined. Following the paper hearts is the most spontaneous thing Ella has ever done . . . but will she find love?
