

Teen & Adult Craft

at the Beaverton Library

Monday, August 26th
5:30-7:00 pm

Flower frogs are used to hold flowers in place to more easily create an arrangement.

We will use air dry clay to mold the shape, press in different textures, and then add color.

Registration required - All supplies provided 106 Tonkin St. Beaverton (989) 435-3981
