JUNK JOURNALING

JAN. 7 & 21 3-5PM

A Junk Journal is a handmade book made of repurposed materials. This book can be a place to tell your story through paint, poetry, writing, drawing, ripping paper and gluing things together, cutting pictures out of magazines that you like...or however!

We will provide magazines, stickers, interesting papers, and other crafting items, as well as glue sticks and scissors. Feel free to bring items from your own craft stash to use or share.

FOR TWEENS-ADULTS
