TEEN & ADULT CRAFT

at the Beaverton Library

Monday, August 24

Come to the Beaverton Library to try an art form called kinusaiga. Unlike conventional quilting, no sewing or needles are required; the fabric is pressed into grooves cut into foam. All materials are provided. It's a free event!

The library hosts a craft on the fourth Monday of each month. Bring a friend and enjoy a night out!

5:30-7:00 PM

106 Tonkin St. Beaverton
